The staff of Village Montessori School, LLC is committed to providing a kind, loving and nurturing environment for our students and their families. We acknowledge we are helping to form future citizens, and are dedicated to providing an environment built on respect for each person within our school community. SUMMER PROGRAM

Summer is a time for children to make new friends, play, develop their creativity, get in touch with nature and learn new games and sports. We intend to provide such a summer for your child within our Montessori environment – which continues to encourage grace & courtesy while promoting physical, social and emotional development.
